Slicer TS700

Product details
- Large product throat and short reloading time
- Slicer for a variety of products and applications
- Unique open design concept
- Up to 2x Variogripper
- Vacuum gripper technology

Advantages
- Involute blade
- Variogripper
- Automatic loading
- Performance involute blade
- Weber Hygiene Design
- Quick set-up time
- SprayTech
- Vacuum gripper
- Interleaver
Weber Slicer TS700: for a variety of products and applications.

The combination of large product throughput and very short reloading time make the Weber Slicer TS700 a powerful and optimal solution for a wide range of products and applications. Gentle slicing of the product and high output are a matter of course. Moreover, the efficient TS700 convinces with a new open design and innovative slicer functions. The unique open design concept helps you to reduce cleaning times to a minimum through accessibility, ease of maintenance and hygiene.

- GripnGo reloading function
- VarioFeed Product Feeder
- ContiFlow - Slicing without reloading gaps

Weber means: service across the board.

Weber Academy.
Maximize line performance through professional training courses.
At the Weber Headquarter in Breidenbach, Germany, we have our own training center, the Weber Academy. Being a provider of complete line solutions, we offer training courses for your Weber Line, tailored precisely to your needs. In doing so, our focus is always on increasing efficiency and optimizing profit in your company.

Weber Guardian.
A safe plan for your production.
Only those who listen can understand. And those who understand can act. With our Weber Guardian program, we harmonize people, machines, and processes to get the most out of production. From preventive maintenance and inspection through targeted personnel development to production support and optimization.

Weber Portal.
Networked thinking, handling together.
You will find everything about your Weber equipment bundled in your personal Weber Portal. Compact, individual and interactive. From your customer profile and that of your machines to e-learning on your setup as well as convenient spare parts ordering and service offers. Are you already registered?

We are looking forward to your message.
